# Faculty Center

The Faculty Center allows you to manage all of your class and academic advisee related activities from one location! Access to the Faculty Center is available from the Wolverine Access gateway, under Faculty Business.

Academic advisors can view students' class schedule, backpack, advising report, and contact information in the Advisor Center.

See system demonstrations and step-by-step instructions in Help. Additional Resources tab links to CRLT Teaching Strategies, Services for Students with Disabilities, Library Reserves, and more.

For each class, use task icons that appear when applicable and available for use.

View class description, meeting information, enrollment, restrictions, class availability, and requisite information.

Class Roster
Receive updated class rosters by email, send emails and attachments to students, view and print the photo class roster, and download the class roster to Excel.

Textbooks
Enter class textbooks and other materials. This data is used by bookstores and students to buy/sell books at the best price.

Grade Roster
Enter, review, and approve grades. Upload grades and change grades.

Assign Proxy
Assign proxies to enter grades, approve grade rosters, change grades, and view class roster.

Teaching Evaluations
Review the student class evaluation, add evaluation questions, and view evaluation results.

CTools
Links to your CTools class site if you have one established.
